

Looking for a new coaching challenge?

The Tournament City Derby Dolls, out of Kamloops BC, are currently seeking a permanent, very part-time coach to help take our two competitive derby teams to the next level. If you are a roller derby coach or enthusiast – of course we would love to hear from you. But if not, no derby experience is necessary, just an open mind, a love of challenge and a drive to learn.

We are.....

- An established roller derby league with over 50 members and two competitive teams.
- Hard-working, fun-loving and committed to athletic excellence
- Actively seeking ways to take our game to the next level

You are...

- An established coach, with a deep interest in coaching as craft
- An adventurous soul who is willing to tackle a challenge with enthusiasm and humility
- A self-directed learner, who actively seeks to improve your skills and knowledge
- A strong leader who can leverage your skills to help us get where we want to go
- A team player willing to work inside a training committee to promote the best outcomes for the league.

Roles and responsibility:

- Participate on a training committee to set short and long term training goals for the league and transfer those goals into concrete training objectives and practice plans
- Run weekly practices according to the set training plans
- Provide appropriate and constructive feedback during practice
- Co-ordinate and execute league-wide testing and ranking protocols
- Participate on training committee to make rostering and playtime decisions
- Manage interpersonal and moral issues as they arise
- Game day bench coaching and leadership
- Participation in performance analysis and review that leads to improved future performance

Compensation: negotiable

Time commitment: 2-4 evening practice / week year round (varies at different times of year), plus 8-10 weekend games March-Aug (may include travel but travel costs will be covered)
