Welcome Dragon Boaters,

Thank-you for participating in the Kamloops Dragon Boat Festival. This is in conjunction with the 10th Annual Kamloops Daybreak Rotary Ribfest presented by Funkcional Electric and Locates Unlimited. This letter is to help you better enjoy your Dragon Boat races and participate with Ribfest's celebrations.

General Information

Kamloops Ribfest is the signature family event in Kamloops and the surrounding region. Since inception, we have raised over \$600,000 for local charities in our community. This year the festival is all weekend long from Friday August 5th to Sunday August 7th at Riverside Park.

Free Live Entertainment and a free Family Fun Zone are the two biggest draws to Ribfest. This year our headlining acts include:

- Friday: Reckless-The Ultimate Bryan Adams Tribute
- Saturday: OC/DC - AC/DC Tribute
- Sunday: Fleetwood Magic-The Authentic Tribute to Fleetwood Mac

Our Save-On Foods Family Fun Zone features bouncy castles, face painting, fishing ponds, arcade games, and so much more. On the Purity Feed Stage, we have our favorite on-stage children performer: Pangea Arts. All schedules can be found on the Ribfest website or our Facebook page.

Our Molson Coors Beverage Gardens is one of the key areas of Ribfest. Make sure to come by and check-out the extensive line-up of beverages!

NEW 2022 – Make sure to come by the Heritage Parking lot for the Ribberside Expo featuring many of our key sponsors including Kamloops Kia, Dawson, Little River Boat World, and so much more.

Information Specific to Dragon Boaters

Kamloops Ribfest is required to comply with many safety authorities and city regulations. Please help us with this!

Sustainability: New 2022! This year we are excited to have Kamloops Ribfest completely Zero-Waste. This means there will be no garbage cans on site. In the Dragon Boat area, please look for our Waste Sorting Station where we will take your 'garbage' and sort it out of the park in various streams of recycling.

Parking: Parking is only available as first come first basis in the public ice-arena parking lot; Sandman Centre Parking lot. This is a public lot and no spots are to be reserved for Dragon Boaters.

After your races are complete: The hours of Ribfest are 11am – 9:30 pm. There is NO vehicles allowed in the park during this time. We apologize if this is inconvenient.

Any questions please visit our website at kamloopsribfest.com or please feel free to email info@kamloopsrotaryribfest.com.

Daybreak Rotary and our Ribfest Team appreciates your support. We wish you a safe and wonderful race.

Sincerely,

Daybreak Rotary
